

Cullen Community Allotment Association

Scottish Registered Charity No. SC043932
Regulated by the Scottish Charity Regulator (OSCR)

Application form for an allotment plot, raised box bed or polytunnel bay

The site has 35 plots: 22 whole plots (approximately 9 by 18 metre) and 13 half plots (approximately 9 by 9 metres). There are also 4 raised box beds (2.4m x 1m and 600mm high) to provide gardening opportunities to those with disabilities or those who cannot manage a full-size (or half-sized) allotment and a communal polytunnel divided into 14 bays 1.8m wide.

Currently all the plots are taken and there is a waiting list. However, each year a few plots do become vacant but priority is given to residents within the Cullen and Deskford Community Council catchment, see <http://www.moray.gov.uk/downloads/file88091.pdf>, so residents outwith that area may have to wait several years before being offered a plot.
